#### **Biography**

Djakangu is an outstanding artist, daughter of Mungurrawuy Yunupingu and sister to artists and leaders like Gulumbu, Mandawuy and Galarrwuy Yunupingu. Like her sister Barrupu she has done many bark paintings and also woven mats and baskets. She grew up at Biranybirany with her family. That is where she learnt all the stories to show us in her different art forms. She has attended and helped people at workshops like the Garma Festival. She taught a lot of people how to do things and what to paint.
